

INDUSTRIAL HOSE SOLUTIONS

Built on Experience — Backed by Service.

DEPENDABLE HOSE SOLUTIONS FOR EVERY INDUSTRY

A LEGACY OF SERVICE

Intex Rubber & Specialty has been a trusted name in industrial hose and gasket solutions since 1984. As a family-owned and operated company, Intex earned its reputation through quality products, local expertise, and responsive customer service. Now, that same commitment continues under the Shipp Hose & Gasket name. Part of the Shipp Belting family — a Waco-based, fourth-generation, family-owned business operating since 1938 — we're proud to carry forward the Intex legacy together while expanding the solutions and service you already rely on. Two Families. One Legacy. One Commitment to Service.

**“Two Family-owned
Businesses Founded on the
Principle of Providing
the Highest Level
of Customer Service”**

24-HOUR ON-DEMAND EXPERT SERVICE

WE PROVIDE HIGH-PERFORMANCE HOSE PRODUCTS — BUILT TO HANDLE DEMANDING INDUSTRIAL APPLICATIONS — BACKED BY RESPONSIVE SERVICE.

WATER SUCTION & DISCHARGE

Durable, flexible hoses for industrial, agricultural, and irrigation use.

- ▶ EPDM construction resists abrasion, ozone, and weather.
- ▶ Wide temperature range from -40°F to +212°F.

PETROLEUM SUCTION & DISCHARGE

Engineered for truck, tank, and marine transfer of fuels and oils.

- ▶ Conductive NBR tube ensures safety in petroleum handling.
- ▶ Reinforced with high-tensile cords and steel helix for flexibility.

HEAVY-DUTY PVC SUCTION & DISCHARGE

Fabric-reinforced PVC hose for construction and dewatering.

- ▶ Transparent “see-the-flow” design.
- ▶ Lightweight, rugged, and easy to handle.

ADDITIONAL SOLUTIONS

- ▶ XLPE Chemical Hose – resistant to aggressive chemicals.
- ▶ Mill Hose – for washdown and plant service.
- ▶ Hot Air Hose – pneumatic conveying in bulk systems.
- ▶ Sandblast Hose – abrasion-resistant for tough materials.
- ▶ Tar & Asphalt Hose – high-temperature performance.
